I am truly grateful to you for picking up this book.
It's thanks to all of you, my readers, that this doujinshi
series has reached its third book. This volume is set the day
after chapter #87 of 'What Did You Eat Yesterday?'
There's a lot more sex than in the last volume.
I'm hoping to be at Winter Comiket next year, all being well.
Please take care of me in 2018, too.
